2025 Decatur-Morgan County Excellence in Leadership

ABOUT US

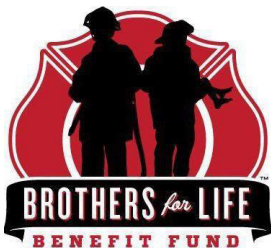

The 2025 Decatur-Morgan County Excellence in Leadership Class is currently raising funds to support three local non-profits in Morgan County. Through donations and sponsorships, we hope to help support the efforts of First Priority, Brothers for Life, and CAPNA Meals on Wheels to help enhance the lives of members of our community. You can learn more about each of these worthy organizations, their missions, and how they support people throughout Morgan County by scanning the QR codes below.

First Priority of Greater Decatur works in our community as a strategic partnership of churches, ministers, business people, educators, parents, and students who are concerned about the moral and spiritual well being of teenagers in the Greater Decatur area. In short, First Priority is the people of God uniting together to make a positive impact in the lives of this generation and to empower students to carry out the Great Commission on their campus.
